## Technical data sheet Equipotential bonding systems

## **Equipotential busbar BigBar for industrial application**

- Main potential equalisation to VDE 0100 Part 410 and Part 540, and also lightning protection potential equalisation to VDE 0185-305 (IEC 62305)
- · Insulation feet
- $\bullet$  Quick, simple assembly of connection conductors to the contact rail using lock bolts M10
- The high-grade stainless steel versions (V2A) are suitable for outdoor use
- · Complete with anchors and bolts for wall mounting
- With lock washer (DIN 137) for bolt locking against loosening (e.g. required in industry and explosion-protected areas)

Туре	Number of connections		Length mm	Height mm		Weight kg/100 pcs.	Item No.
