Additional Items

Ringed Cable Bars

Ringed cable bars are 19" panels that allow cables to be passes from one side of the cabinet to the other side. They are available in a number of sizes.

Prysmian Part Nos: -
> *XCPSC00798 – 1U 4 Ring Cable Bar*
> *XCPSC00799 – 2U 4 Ring Cable Bar*
> *XCPSC00800 – 1U 4 Ring Recessed Cable Bar*

Blank Panels

Blank panels are 19" panels that can be mounted in the cabinet to blank off any unused space. They help with airflow in cases where active equipment is used.

Prysmian Part Nos: -
> *XCPSC00801 – 1U Blank Panel*
> *XCPSC00802 – 2U Blank Panel*
> *XCPSC00803 – 3U Blank Panel*

Brushed Panel

The brushed panel is a 19" panel fitted with a brush, to enable patchcords to be routed from the front of the cabinet to the back of the cabinet. It helps with airflow in the cabinet in cases where active equipment is used.

Prysmian Part Nos.: - XCPSC00804 – 1U Brush Strip

Fan Kit

Up to two fans can be fitted into the cabinet in the top or bottom cover. Each fan kit consists of one fan, one lead, one finger guard and four adhesive clips. Fan kits are used to provide cooling in cases where active equipment is used.

Prysmian Part No.   XCPSC00805 – Fan Kit
